

MINI

Hobolite

Portable Continuous LED Light

The Hobolite **Mini** is a micro studio wherever you need it. Weighing in under a pound and packing 20W of power, it provides professional lighting where and when you need it. The light output ranges from 2700K - 6500K with excellent CRI and a focusable lens allowing for beam control from 15° spot light to 45° floodlight. Accessory attachments can diffuse or focus the output further.

Features

- High CRI white light output
- Focusable Lens
- Integrated Battery
- 4-leaf barndoor
- Color lens adapters
- Diffuser dome

CCT

2700K - 6500K
